Ni Sa Bula,

Welcome to another exciting year of fishing 2010 looks to be a great year with loads of friendly competitions and social events, as well as our major tournaments, the Fiji Islands Classic. We have a Tuna Classic over the Easter long weekend. Also a Bill Williams Memorial Bill Fish Classic in October. This is in remembrance of a man who made a big difference to game fishing in Fiji especially in DGSFC.

We had a good turnout at our AGM which was held Saturday 30th January. The minutes have been emailed out to all our members. If you missed the email and would like a copy, please feel free to get in contact. The committee for 2010 was elected and is as follows:

President:	Simon Deakin
Vice President:	John Andrews
Secretary:	Phyllis Williams
Treasurer:	Sam Deakin
IGFA representative:	Kapena Nelson
General Committee:	Aaron Spencer
	Mark Ellison
	Mike Rohan
	Pat Allen

I would like to take this opportunity to thank everyone who made 2009 such a great year, in Particular Mark McElrath, Brett and Louise Whittaker and the rest of the committee. A big Vinaka Vakalevu to all our members and sponsors. Your ongoing involvement is what makes this club a brilliant community. I would also like to congratulate the 2010 committee on their election and look towards working together towards an exciting year of fishing and social events.

Membership is now up for renewal – individual, Family and corporate. More information is available on the website including dates/ rates for our membership drive. Please feel free to invite any family, friends or associates, especially past members, who are not currently members but you think would be interested in joining.

I look forward to catching up with you at our next comp.

Simon Deakin

President
